## 2. USER INSTRUCTIONS

- Please ensure that you read these instructions before using the LED Light, and that all the safety guidelines are understood. Please keep these instructions for future reference.
- The light is for outdoor or indoor use. It is rated IP54 but should not be immersed in water
- This floodlight must be mounted on a solid surface.
- Ensure adequate ventilation is allowed between the floodlight and any object above, in front or to either side. Minimum distance: 0.5m above, 0.3m to either side and 1.0m in front.
- The floodlight can become hot during use, allow adequate cooling time before handling.
- This floodlight is of Class I construction and must be earthed.
- This product contains glass. Care must be taken when fitting or handling to prevent personal injury or damage to the fitting.
- Prior to operation, carefully inspect the light for any damage. Any part that is damaged, including the casing, cable or plug, should be properly and safely repaired or replaced by a qualified electrician before the light is used.

## 3. PRODUCT SPECIFICATIONS

- Die-casting Aluminum Body, Powder coating, Tempered Glass lens, Metal floor stand and handle.
- U-shape bracket: Lamp heads can be adjusted to different angles. (Forwards and backwards)
- LED lamp head: The LED driver works at a high frequency, producing no light flicker.

## 4. SAFETY WARNING

- Always check that the voltage displayed on the nameplate is the same as the mains power source.
- This unit must only be connected to an appropriate power supply.
- When not in use always disconnect from the power supply.
- To avoid damage to the eyes, do not directly illuminate the light near other people.
- Never leave the unit in use without supervision.
- Ensure the mains cable does not present a trip hazard.
- Do not run cables across walkways.
- Ensure the mains power cable is fully unwound before use.
- Do not remove plug from mains supply by pulling on power cord.
- If the external flexible cable or cord of the cable is damaged, it will need to be replaced by a service agent or a similar qualified person.
